

You not only shouldn't have to wait 10 days for a Cancer Screening or Accident Wellness claim to be paid, *you don't have to!*

Now, you can upload your screening receipt and get paid in one day. By using our website, you can submit a wellness claim and get *paid in a flash*.

Here's how:

1-Scan a copy of your wellness receipt- *Must be in PDF

2 Go to www.ManhattanLife.com

Select the new banner for Flash Pay. You will be prompted to log in.

3 Select the button for Cancer Screening/Wellness

4 Upload your PDF file

5 Expect your payment in a flash

*Must have direct deposit set up (See next page for instructions)

*Flash Pay is only available for:

Cancer screening benefit under CP4000 cancer policies Accident
Wellness benefit under PAID accident policy

Did you know that you could receive claim money faster with direct deposit?

If you've ever wondered how to receive your claim money faster, we can help. Direct Deposit is an option!

Here's how:

To register for direct deposit:

1. Sign into your policy holder account
2. To the bottom left, you'll find a blue highlighted link that says "click here to get your 'Disability benefits' (varies based on claim being filed, and is only available for Disability, CP4000 Cancer screenings, and PAID accident wellness)
3. Select the policy that you are submitting.
4. Fill out the EFT form and click "submit."

Eligible for EFT:

Cancer screening benefit under CP4000 Cancer Policies
Accident wellness benefit under PAID accident policy
Disability claim payments.

Flash Pay is only available for:

- Cancer screening benefit under cancer policies
- Accident wellness benefit under PAID accident policy

The EFT form is filed with the bank when the first claim is processed. The claim, EFT filing, and payment are all processed in one business day at ManhattanLife.

*ManhattanLife is not responsible for payee's bank's processing speed.
